My name is Jim Flavin and I'm the President of Houston's Energy and Luxury Brand Golf Charity Fund. We've organized this Fund as a 501 (c)3 and our Mission is to raise money for Cancer Research to help The University of Texas MD Anderson Cancer Center in Making Cancer History®.

I was diagnosed in early December 2022 with Multiple Myeloma and I have been under the care of MD Anderson since early January. I finished 16 weeks of chemo in early May and recently found out that the latest biopsy showed no aberrant cancer cells. While this has been excellent news, MM has no cure and relapse almost assuredly occurs within a few years. As a result, the doctors at MD Anderson advised me to get a Stem Cell Transplant which they believe is the best procedure to keep the cancer in remission for a longer period.

I was admitted to MD Anderson on June 13th for a Stem Cell Transplant and after three weeks was discharged on July 4th and I'm currently doing well.

While this has been a very challenging period for my family and me, I've been blown away by all of the folks that have reached out to provide support for us. It has helped reinforce my faith in humanity. I had always heard the adage "live life to the fullest", but this experience has taught me to truly embrace the present. For that, I'm very grateful.

I had a lot of time to think while I was in the hospital and definitely want to give back to the wonderful folks at MD Anderson for all they've done for me and so many other Cancer survivors. Through our 501 (c)3, we will be hosting a Golf Charity Tournament on 4/22/24 @ Champions Golf Club in Houston, TX to raise money for Cancer Research for The University of Texas MD Anderson Cancer Center.

There are several ways for sponsors to help. Platinum level sponsorships are \$75k each and include two golf foursomes. Gold level sponsorships are \$50k each and include one foursome. Silver level sponsorships are \$25k. Additionally, we will also offer hole level sponsors for 5k each and (4) Hole In One luxury car giveaways at the course Par 3's. The luxury car sponsorships will be priced at the insurance premium and will be available by request.

The tournament will offer space for 28 foursomes with each participant paying \$1k to play. There will also be a unique auction opportunity for each foursome to bid on the 28 golf celebrities that we plan to have join the tournament. All sponsorships will also be identified in marketing materials and receive commensurate signage.

Please help us raise money to end Cancer.

Sincerely,

James J Flavin
